

1. Listen and number

Number the planets in the order you hear them in the song:

Earth		Uranus	
Mercury		Mars	
Venus		Jupiter	
Neptune		Saturn	

Which other planet is mentioned? _____

2. Fill it in

Watch the story. Write the missing words in the sentences.

- Look at this forest. The trees are red and the leaves are red.
- Look at the yellow _____ and the yellow clouds.
- Look at the pink _____. There are pink shells and pink plants in the sea.
- This planet is very _____. There is a big blue sun and a desert with blue sand.

3. Your planet

Imagine your own planet. What's the name of the planet? What things are there on the planet? What colour are they? Are there any animals? Write about it
