

## Families

### Task 1 – Speaking

Your teacher will show you photos of different families. Describe each family in the photos to your partner.

*The family in picture ... is/has ...*

**Which family is the most similar to your family? Tell your partner.**

*Picture 1/2/3/4 is most similar because ...*

### Task 2 – Listening

Listen to Ali and Samir talking about their families. Look at the pictures your teacher shows you. Which family is Ali's and which family is Samir's?

**Discuss:** Are Ali's and Samir's families similar or different?

### Task 3 – Vocabulary

**Put the words in the box into the correct sentences.**
