My participation – self-assessment

How well did I do? Draw the balls in the illustration to assess how well you did.
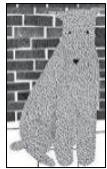

I interpreted the illustrations to understand the story.	I recognised feelings and emotions through tone of voice.	I predicted words by using rhyming clues.	I answered questions during the story.

3 balls   I tried hard and did this well.
2 balls   I tried quite hard and did this quite well.
1 ball   I can't do this yet and will try harder.
