

Choosing a house

<p>15 Kangaroo Street</p> <p>This is a fantastic flat near the shopping centre. There is a view of the river, and it is also very near the railway station.</p> <p>It is a safe area and the local people are very friendly. David Beckham and his wife Victoria live next door.</p> <p>There are supermarkets, gyms and sports clubs in the area.</p> <p>The flat is fantastic. There are many modern things, for example, satellite TV, microwave oven, sauna and jacuzzi.</p> <p>There are four bedrooms, two bathrooms and a very spacious kitchen.</p> <p>Rent: £1,000,000 a month</p>	<p>1,296,356 Air Conditioning Street</p> <p>This flat is old and there are some problems. There are ants in the kitchen and some of the windows are broken.</p> <p>There is only one bedroom, but there isn't a bed.</p> <p>There is a view of the back of MacDonald's and sometimes the smell comes into your kitchen.</p> <p>Your kitchen has no cooker, no microwave and no sink.</p> <p>There aren't any carpets, and there isn't a front door.</p> <p>But the rent is good: 1 penny a year</p>
<p>12345 Spaghetti Street</p> <p>This flat is fantastic! There are three rooms and one bathroom. There is satellite TV but all the channels are terrible.</p> <p>There are some Persian carpets, they are very beautiful.</p> <p>The bathroom is big and clean. There is a shower and a big bath.</p> <p>There isn't a garage, maybe this is a problem if you have a car.</p> <p>But under the flat is the best restaurant in Italy (or wherever).</p> <p>Rent: £200 a month</p>	<p>0 Present Simple Street</p> <p>Near this house there are many parks and green places. You can visit a beautiful lake and see the mountains.</p> <p>The flat has some nice things, a TV, a nice bathroom, a big kitchen and a nice balcony. There is a very nice view from the windows.</p> <p>The kitchen is nice. There are lots of cupboards and two washing machines. There isn't a microwave but the cooker is very good.</p> <p>The problem is, the neighbours are in a rock band and they are very noisy.</p> <p>Rent: £150 a month</p>
