

The Tempest

Imagine you are Miranda and you have just met Ferdinand. You want to return to Milan. Write your message in a bottle, and think about the following information:

- Describe the island – *What plants/animals are there? How big is it?*
- Weather – *Is it hot/cold? Does it rain a lot?*
- Food – *What are you eating? What food do you miss most?*
- Clothes – *What do you wear? How do you make clothes?*
- Activities – *What do you do every day on the island?*
- Father – *What has your father been doing? How do you feel about it?*
- Ferdinand – *Describe how you met him and what he's like.*
- Ask for help to return to Milan so that you can live with Ferdinand.
