

1. You are going to listen to a woman, Victoria, talking about a photograph that she took. Listen and try to write down at least 10 words or expressions that you hear.

2. Listen to Victoria again. In the space below, write 3 pieces of information that you hear. You do not need to use the exact words Victoria uses.

*Example: She talks about living abroad*

3. Compare your words and information with a partner or in small groups. Using the information you have, draw what you think the photograph looks like in the box.

**4. Compare your drawing with the original photograph**

**What similarities and differences are there between your drawing and the original photo?**

**5. Talk to your partner for a minute about the similarities and differences between the two pictures and say which one you prefer**
