

COLOURING CARDS

Teacher's Notes

Language: cat, cow, dog, donkey, duck, frog, goat, pig, pony, sheep

Materials: Bingo cards of the animals in black & white

1. Hand out the copies of the animals to each child. Ask them to colour the animals any colour they know in English. As children are colouring, walk around the room asking "What colour is your frog?" or "What animal is that?" In this way you can confirm children's understanding and pronunciation.

2. Give each child an envelope. Ask them to write their name on the envelope. Once children have finished colouring, ask them to cut the animal cards and put them in their envelope.

3. Ask the class, "Are there any blue animals?" Encourage children to say "a blue cow" for example, holding up the card for all to see.
